Winters Church Road to Close on or about January 22, 2016 to June 2016

Union Bridge, MD, January 7, 2016—
Winters Church Road in Union Bridge, MD is scheduled to close on or about January 22, 2016. The road will be re-opened in June 2016. Motorists using Winters Church Road should follow the posted detour route.
The road closure is for construction of an underground conveyor belt serving the Lehigh cement plant in Union Bridge.
Additional details about the project, and detour maps are available on Lehigh's project website:
http://newwindsorquarry.com/detours-road-closures
