Budget Changes

- Increases in the Circuit Court budget between the FY 04 Original Budget and the FY 04 Adjusted Budget are the result of a mid-year change in State law; the State now bills the County for 25% of all Law Clerk positions.
- Due to funding uncertainties, the Commissioners were unable to approve the planned 3% salary increase at the time of adoption in FY 04. The 3% salary increases for these agencies were added after the adoption of the Budget and are shown in the FY 04 Adjusted Budget. The FY 05 Budget includes a planned salary adjustment.
- The 8.53% increase in the Circuit Court budget is due to a \$45,000 increase in hours budgeted for the Bailiffs. In FY 04, the State opened the new District Court; therefore a reduction in the use of bailiffs was anticipated, as the County was no longer responsible for providing bailiff services for the District Court. The salaries were underestimated for the Circuit Court operations by approximately \$35,000. Additional bailiff time is also anticipated for the new area renovated for Juvenile and Child Support hearings accounting for the additional \$10,000. A court reporter position moved from Juvenile Master to Circuit Court.

Highlights, Changes and Useful Information

- In FY 03, there were 7,348 Circuit Court filings, a 10.4% increase over FY 02 filings. The largest areas of increase occurred in criminal filings, jury trials emanating from District Court, juvenile filings and delinquency filings.
- The County is being reimbursed by the State for the salaries and benefits of the Standing Juvenile Master and the part-time Standing and Juvenile Master.
- A total of 20,717 juvenile and adult offenders have been referred to the Volunteer Community Service Program since its inception in October 1980. Volunteer hours from October 1980 through November 2003 total 692,125. Calculated at a rate of \$5.15 per hour, the total value of the volunteer hours is \$3,564,444.

Budget Changes

- Differences between FY 04 Original Budget, the FY 04 Adjusted Budget and the FY 05 Budget are the result of changes due to the 3% salary increase awarded in January 2004.
- The 13.63% increase in personnel expenses in FY 05 is due to salary adjustments and the Court Reporter/Librarian position moved to this budget from the Juvenile Master budget.

- The 8.53% increase in the Circuit Court budget is due to a \$45,000 increase in hours budgeted for the Bailiffs which caused an increase in FTEs. In FY 04, the State opened the new District Court; therefore a reduction in the use of bailiffs was anticipated, as the County was no longer responsible for providing bailiff services for the District Court. The salaries were underestimated for the Circuit Court operations by approximately \$35,000. Additional bailiff time is also anticipated for the new area renovated for Juvenile and Child Support hearings accounting for the additional \$10,000. A court reporter position moved from Juvenile Master to Circuit Court.
