# Position Summary

The following pages are a summary of positions in Carroll County government. All positions are General Fund positions unless specified as a Grant Fund or Enterprise Fund position.

- General Fund positions – those positions supported by taxes, fees and other general fund revenues.
- Enterprise Fund positions – those positions supported apart from the General Fund by charges generated by and restricted to use for a specific service, for example water and sewer charges.
- Grant Fund positions – those positions are supported primarily by State and Federal grants.

The categories are arranged by Department and/or Bureau. The summary lists Full Time Equivalent (FTE), totals of full-time, part-time, or other number of employees within the department or bureau. In some cases a position may be more than one of these. For example, the Circuit Court bailiffs are part-time and contractual.

- Full-Time (FT) – These are regular full-time positions with full benefits.
- Part-Time (PT) – These are positions scheduled for fewer than thirty hours per week with limited or no benefits.
- Other (O) – These are positions that are either subject to: the provisions of a contract that typically lasts for one year or less and have limited or no benefits (Contractual), hired for temporary, seasonal work and do not have benefits (Seasonal), or required by law with salaries set by law (By-Law).

Some of the positions included in the summary are paid by the County, but do not report to the County Commissioners. They are listed under the Sheriff, Detention Center, Circuit Court, Juvenile Master, Volunteer Community Service Program, State's Attorney, Victim Witness, Child Support and Soil Conservation.
