## Budget Changes

- The difference between the FY 04 Original Budget and the FY 04 Adjusted Budget for Resident Trooper is primarily due to a credit on the first quarterly payment in FY 05 to adjust for actual FY 04 costs.
- The 13.81% increase in EMS 24/7 funding in FY 06 is due to a 5% increase and additional funding of \$209,475 for a second 24/7 unit to be added at either the Westminster or Sykesville Fire Company. An evaluation of call volumes and geographic location will determine placement for the additional unit.
- The 2.06% increase in the Volunteer Emergency Services Association (VESA) is primarily due to the net effect of \$108,000 in additional on-going funding for the provision of Emergency Vehicle Operator Drivers, \$108,000 in additional funding for the physicals program and a change in the method of funding the Length of Service Award Program (LOSAP). Annual funding of LOSAP through the VESA budget was replaced by the investment in a self-sustaining pension fund. Without these changes the budget would have grown 8.61%.

## Highlights, Changes and Useful Information

- In calendar year 2004, Animal Control responded to more than 2,000 calls.
- In FY 05, the kennel floors and walls were recoated. This impermeable surface allows the area to be completely disinfected to protect the health of the animals.
- Phase III of an Emergency Medical Services (EMS) plan prepared by the VESA is recommended to be implemented in FY 06 and includes funding for an additional 24/7 station based on population, call volume and geographic location. This will increase the number of stations county-wide that provide 24/7 coverage to eleven.

## Mission and Goals

The Carroll County Volunteer Emergency Services Association (VESA) represents the fourteen community volunteer fire departments in Carroll County. Over 1,000 men and women volunteer at the Mt. Airy, Hampstead, Westminster, Manchester, Taneytown, Pleasant Valley, Lineboro, Union Bridge, Reese, New Windsor, Harney, Sykesville, Gamber and Winfield Fire Companies.

## Description

The Carroll County Volunteer Firemen's Association has requested a name change to the Carroll County Volunteer Emergency Services Association to better reflect the scope of the services they provide. The name change was enacted as of October 1, 2004. The VESA is the hub of all the County fire departments administrations. Two representatives from each of the fourteen fire departments meet on a monthly basis. County funding is provided to the VESA, which in turn allocates funds to the fourteen fire companies and the following administrative budgets:

- Ambulance Association
- Carroll County Fire Police
- Fire Chief's Association
- Advanced Technical Rescue (ATR) Team
- Fire Training Center
- Haz-Mat Program
- Critical Incident Stress Management
- Fire Prevention
- Wellness

The County provides funding for the VESA physical program, which provides physicals to active members within the service.

The VESA has provided the Board of County Commissioners a plan for Emergency Vehicle Operator Drivers (EVODs), which has been approved. This plan will ensure that paid professional operators are available to drive the equipment whenever necessary.

## Program Highlights

The fourteen companies respond to fire calls, emergency medical services calls, rescue calls and mutual aid calls. The following chart compares the number of calls by type over the past three years:

Type	2002	2003	2004
Fire	2,365	2,441	2,401
EMS	9,070	9,782	9,510

Mutual Aid	1,932	2,060	3,046
<b>Total</b>	<b>14,507</b>	<b>15,470</b>	<b>15,104</b>

## Budget Changes

The 2.06% increase in FY 06 is primarily due to the net effect of \$108,000 in additional on-going funding for the provision of EVODs, \$108,000 in additional funding for the physicals program and a change in the method of funding the Length of Service Award Program (LOSAP). Annual funding of LOSAP through is budget was replaced by the investment in a self-sustaining pension fund. Without these changes, the budget would have grown 8.61%.
