The Carroll County Office of Tourism Visitor Information Center has been a tenant since 1984 within the Kimmey House.

The Sherman-Fisher-Shellman House features an architectural museum where a changing exhibition gallery and special events are held. The Willis-Boyle House was purchased in November 2000. ## Mission and Goals

The Union Mills Homestead Foundation strives to maintain and preserve the Homestead Buildings and gristmill to perpetuate its existence as a living, working, historical landmark for future generations.

### Goals include:

- Keep the interior and exterior of the buildings and premises in good condition.
- Promote the facility for tours, weddings, receptions and events to generate revenues to accomplish the mission.
- Develop and secure the archives and history of the Homestead.

## Description

In 1797, David and Andrew Shriver purchased the track of land along Big Pipe Creek for the purpose of operating a gristmill and a sawmill. Later, the brothers added a tannery, copper shop and a blacksmith's shop. The growing enterprise soon took the name "Union Mills" because of the partnership between the two brothers and their various businesses. With various changes, the mill operated commercially until 1942. In the early 1980's, the mill was restored and reopened in 1983, winning awards for the restoration work. In addition to the mill and outbuildings, the original double house can be visited today. The facility, located on Littlestown Pike in Union Mills, MD, is owned by Carroll County and operated by the Union Mills Homestead Foundation, a non-profit organization.

Many special events draw visitors to the Homestead. The annual Flower and Plant Market in May, the Corn Roast Festival in August are two of the premier events at the Homestead. The Homestead draws approximately 15,000 visitors annually.
