- The difference between the FY 07 Original Budgets and the FY 07 Adjusted Budgets are primarily due to salary adjustments, and the elimination of a part-time Office Associate position.
- The 8.27% decrease in the Planning Administration Recommended Budget in FY 08 is primarily due to one-time FY 07 funding for the Action Strategy in the Reservoir Watershed Management Agreement of 2005. Participants in the Agreement include Baltimore City, Baltimore County, Carroll County, the Maryland Department of Agriculture and the Maryland Department of the Environment.
- The 9.60% increase in the Environmental Compliance budget is due to planned funding for water testing for Methyl *tert*-butyl ether (MTBE) and for monitoring equipment maintenance.
