## Mission and Goals

The Union Mills Homestead Foundation strives to maintain and preserve the Homestead Buildings and gristmill to perpetuate its existence as a living, working, historical landmark for future generations.

### Goals include:

- Keep the interior and exterior of the buildings and premises in good condition.
- Promote the facility for tours, weddings, receptions and events to generate revenues to accomplish the mission.
- Develop and secure the archives and history of the Homestead.

## Description

In 1797, David and Andrew Shriver purchased the track of land along Big Pipe Creek for the purpose of operating a gristmill and a sawmill. Later, the brothers added a tannery, copper shop and a blacksmith's shop. The growing enterprise soon took the name "Union Mills" because of the partnership between the two brothers and their various businesses. With various changes, the mill operated commercially until 1942. The mill closed for restoration in the early 1980's and then reopened in 1983. In addition to the mill and outbuildings, the original double house can be visited today. The facility, located on Littlestown Pike in Union Mills, MD, is owned by Carroll County and operated by the Union Mills Homestead Foundation, a non-profit organization.

Many special events draw visitors to the Homestead. The annual Flower and Plant Market in May, the Corn Roast Festival in August, and the Microbrewery Festival are three of the premier events at the Homestead. The Homestead draws approximately 15,000 visitors annually.

For more information on the Homestead Museum, please refer to: <http://www.unionmills.org/>.

In addition to the direct contribution of \$20,000, the County provides the Union Mills Homestead Foundation with in-kind services through the Bureau of Facilities to maintain the Homestead Buildings. In FY 09, the Bureau of Facilities budget includes \$51,800.
