Capital Budget Revenues

This chart shows the capital budget by revenue source for fiscal years 2000 to 2009.

From Operating represents current and prior year revenues from local sources transferred to the Capital Fund, including transfers from the General Fund and reallocated General Fund transfers.

State & Federal includes funds from sources such as the State School Construction Program, Program Open Space, Highway User Revenue, Rural Legacy Grants, State Agricultural Preservation (MALPF), State and Federal Aviation Administration and State Highway Administration.

Bonds include new and reallocated general obligation bonds.

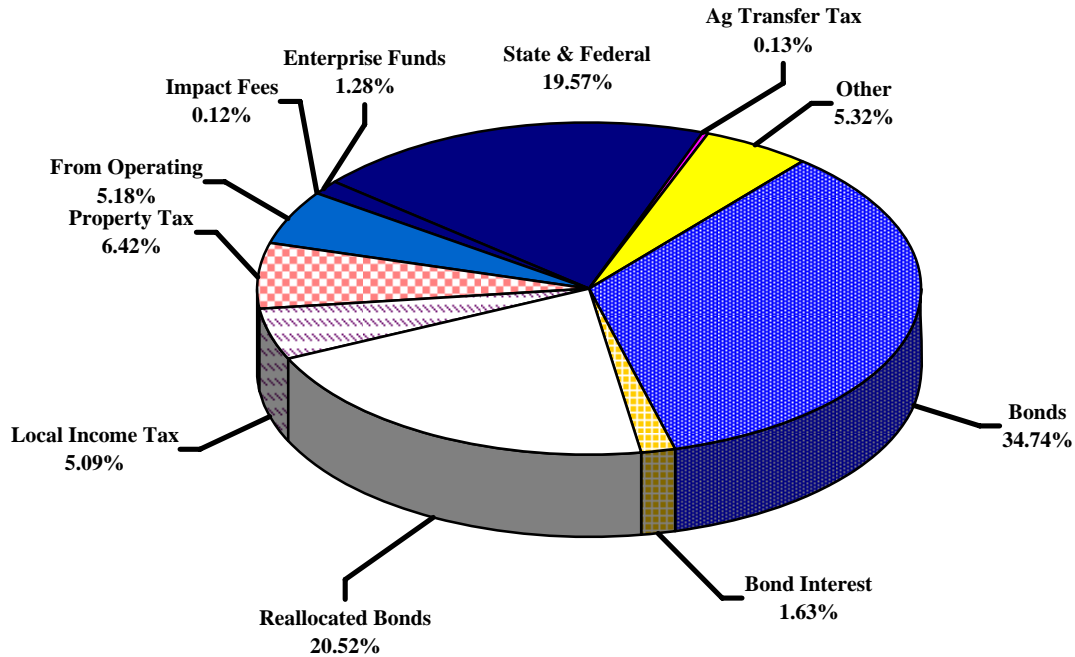

Direct Capital Revenues include funds earmarked by the Commissioners for use in the Capital Fund. These revenues are appropriated directly to the Capital Fund rather than being transferred from the General Fund. Local Income tax revenue collected, approximately 9.1%, is appropriated for school construction. 3% of Real Property tax revenue is dedicated to Roads projects, Agriculture Preservation and a portion is used to pay debt service in the General Fund for Agriculture Preservation. In Fiscal years FY 06, FY 07 and FY 08 an additional \$31 million, \$25 million and \$19 million, respectively, in real property tax was appropriated directly to the Capital Fund for various one-time expenditures. In FY 09 the County has returned to appropriating 3% of real property tax to the Capital Fund. These revenues include Impact fees collected for schools and parks and revenues collected for enterprise funds.

Other consists of revenues such as grants, developer contributions and private and community contributions.
