## Mission and Goals

To provide a safe facility for firearms enthusiasts to practice sporting activities and for police personnel to train, practice and obtain certification.

### Goals include:

- Provide a place for hunters to sight-in rifles and for target shooting enthusiasts to practice their sport.
- Promote safety, education, training and good sportsmanship.

## Description

The Hap Baker Firearms Facility was built in 1996 adjacent to the Northern Landfill. The facility includes ten firing lanes from 25 to 200 yards long and a nine-lane pistol range from 5 to 17 yards. It is used by the general public as well as by police personnel.

Range Officers supervise the facility. A fee is charged for daily use or a yearly pass may be purchased.

The facility is open to the general public from January through March on weekends and April through December, Wednesday through Sunday. The hours of operation are 10:00 a.m. until an hour before sunset.

## Program Highlights

In FY 08, approximately 6,100 individuals used the facility.

## Budget Changes

- There are no salary increases in FY 10.
- The 8.35% increase in the Firearms Facility is primarily due the replacement of the pistol range insulation and an increase in depreciation after reopening the facility.
