

Overview of Recreation and Culture CIP

The Recreation and Parks portion of the FY 19 – 24 CIP provides facilities for passive (natural park areas) and active (ballfields) recreational opportunities. The primary sources of funding for recreation projects are Impact Fees and Program Open Space (POS) funding. Impact Fees are charged to the developers of new homes in Carroll County to partially offset the cost of providing recreation facilities to serve those new homes. POS funding is provided as a portion of the State Real Estate Transfer Tax for the acquisition and development of park facilities. Projects include Recreation and Parks and the Union Mills Homestead.

Funding is provided in the FY 19 – 24 CIP for the replacement of three tot lots (Cape Horn Park, Deer Park, and Hashawha Environmental Center), Sports Complex concession building roof replacement and lighting replacements, a roof replacement at Bear Branch Nature Center, basketball and tennis court replacement at the former Charles Carroll Elementary site, paving at Piney Run, Hashawha, and Krimgold Parks, and a pedestrian bridge replacement at Bennett Cerf Park. These projects maintain County infrastructure and are funded primarily through the use of Program Open Space dollars.

Other funded projects include Westminster Veterans Memorial Park, Deer Park Phase II, a boat ramp at Double Pipe Creek Park, a trail at Leister Park, and historical restoration of Union Mills Homestead waterwheel and flume.

The FY 19 – 24 CIP continues to fund Self-Help projects. These projects are cooperative ventures between local community groups and the County, and enable the County's Recreation Councils to define and design projects to enhance park facilities countywide.

For additional information on Recreation and Parks projects, please refer to the individual project pages.

Community Self-Help Projects

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

9735

This project provides ongoing funding for the Self-Help program developed by the Board of County Commissioners in an effort to create community interest and involvement in recreational facilities throughout Carroll County. It has enabled communities to help themselves with recreational programs they define and design. Typical projects include ballfield renovations, pavilions, storage sheds, and improvements to existing facilities. Individual projects may not exceed \$20,000 and can receive up to 75% funding from Community Self-Help, up to 85% if it includes volunteer labor. The remaining cost of the project is provided by the community.

Sports Complex Lighting

District Location: 1 and 3

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

Proj #

This project provides planned funding to upgrade the existing lights and add lighting fixtures to the fields at the Carroll County Sports Complex, located on Route 97, north of Westminster. Project includes replacement lights on softball/baseball fields #1, #2, and #3, new lights on soccer field #1, and new lights on softball/baseball fields #4 and #5.

Project is contingent on receiving State funding.

Operating impacts include reduced electricity consumption with lighting fixture replacements, offset by increased electricity usage from the installation of new lighting fixtures.

Town Fund

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

9736

This project provides ongoing funding to the eight towns within the County for five percent of their Program Open Space (POS) projects. Every year since the early 1970s, the State has made Program Open Space funds available to the towns for development of municipal parks. Up to 90 percent of the cost of the municipal projects may be reimbursed through POS funding. The County contribution shown below is to cover five percent of the total cost of the projects to the approved municipalities. The remaining five percent, as well as any cost overruns, are the responsibility of the towns.
