**PLEASE NOTE:** CDs are made from the original master recording; duplication is strictly prohibited. They are not certified for court use; they are provided for verification of testimony only. They may not be used as the official court record in place of a transcript. In addition, only transcripts prepared and certified by this Court's transcription company are deemed official and can be admitted as evidence. Any broadcast of these proceedings is strictly prohibited. CD's only play on computers equipped with Windows 98 or higher.
