

Vision

Carroll County offers a safe environment in which all its residents may live, work, and play. The rural character of our county is preserved through measures that protect our natural and cultural resources, minimize future residential sprawl, and save farmland. Carroll County is enriched by sustainable agriculture and agribusiness as well as responsible, productive business and industry that offer family-wage jobs and employ the county's skilled workforce.

Mission statement

The mission of Carroll County Government is to provide excellent, efficient service to our residents in a courteous, friendly manner. We conduct business openly. We encourage each resident to play a role in keeping Carroll County a great place to live, to work, and to play.
