In Carroll County a Refillable Container Permit entitles the Permit Holder to sell draft beer for consumption off the licensed premises in a refillable container (Growler) that meets the following standards under 21-107 of Article 2B.

LEGAL REQUIREMENTS:

1. Growlers must have a capacity of not less than 32 ounces and not more than 128 ounces.
2. Growlers must be sealable.

LABELING:

The label on each growler must:

1. Be branded with an identifying mark of the seller of the container;
2. Bear the federal health warning statement required for containers of alcoholic beverages under 27 C.F.R. 16.21;
3. Display instructions for cleaning the container;
4. Bear a label stating that:
 - a. Cleaning the container is the responsibility of the consumer; and
 - b. The contents of the container are perishable and should be refrigerated immediately and consumed within 48 hours after purchase.

HOURS OF SALE:

Except as otherwise specifically provided, the hours of sale for a refillable container permit are the same as those for the underlying alcoholic beverages license.

The specific provision for hours of sale state that sales “begin at the same time as those for the underlying alcoholic beverages license; and end at midnight”. Class A establishments’ hours of sale end at 11:00 p.m.
