

Carroll County Government Geographic Information Systems Web Page Help for Viewable Maps

To view and print PDF (Portable Document Format) files you need to have the free Adobe Acrobat Reader software installed on your computer.

➔ **Download Adobe® Reader:**

Click on the link below, and follow instructions on the Adobe® Reader webpage to start automatically downloading.

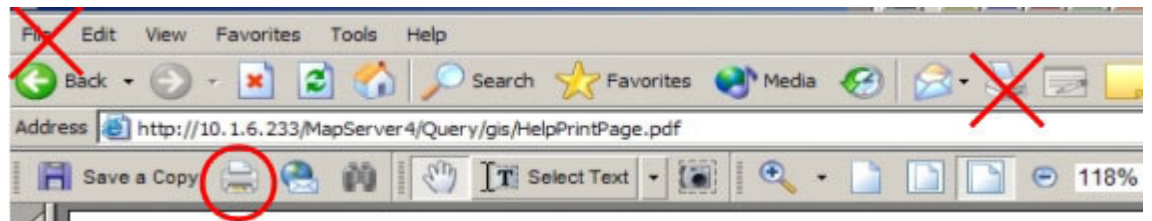

<http://www.adobe.com/products/acrobat/readstep2.html>

➔ **Viewing PDFs from the “Viewable Maps” web page:**

Single click on the thumbnail of the map which you desire to view, and an enlarged version of the map will display on your screen after the Adobe® Reader software has started.

➔ **Printing PDFs:**

To print a .pdf file, click on the button that looks like a printer on the Adobe toolbar on your screen.

If desired, select your printer and change any print options. Click “OK” to print.

➔ **Saving PDFs:**

To save a .pdf file for viewing/printing later, click on the button that looks like a diskette on the Adobe toolbar, and specify a location on your hard-disk drive. Click “Save” to save.

Note: To return to the web page, please click on your browser’s  button at the top left corner of your screen.
