

Arthurs Ridge Stormwater Management Facility

LOCATION

The Arthur Ridge subdivision stormwater management facility is an existing facility located in the Piney Run Reservoir Watershed. The pond is currently functioning as a water quality pond for the subdivision that is located near French Avenue and Laval Drive.

DESCRIPTION

Due to the current condition of the barrel pipe, the County is looking at retrofitting the facility to bring it up to current standards thereby ensuring that the facility is capturing all of the drainage area intended to drain into the facility.
