

DEPARTMENT OF GENERAL SERVICES
BUREAU OF BUILDING CONSTRUCTION

Carroll County Public Transportation Building

Project Summary

This is a design/build project that seeks to add a one story, 1500 square foot building to serve as a meeting room with offices for the Department of Planning. The building will require electric, phone, heat, air conditioning and a septic system. Additionally, the project seeks to provide 65 uncovered parking spaces and will include all necessary storm water management and related site work.
