

2016 ROAD OVERLAYS-CONTRACT 3

DESCRIPTION

Eleven County roads, totaling 9.17 miles, are included in the third contract for annual maintenance repair and paving. Drainage pipes, curbs, hot mix asphalt paving, and shoulders are typical work items addressed at the same time. Maintaining our roads with a strong overlay program delays or eliminates the need for much more costly road reconstruction.

Once construction begins, traffic will be maintained through the work zone with flagging operations. Construction is expected to last about five months. Weekly press releases will identify the roadwork planned for the following week. The press releases will appear on the County's website.

Public Works thanks the public for their patience and understanding as this roadwork proceeds.

The roads included in this project are:

ROAD:

Lonesome Dove Road
Sierra Court
Mount Olive Court
Sommersby Road
Lafayette Drive
Thames Court
Timber Ridge Drive
Sylvan Circle
Cabbage Spring Road
Old Bachman Valley Road
Tyrone Road

LIMITS:

Cabbage Spring to end
Lonesome Dove to end
Sommersby to end
Cabbage Spring to end
Hodges to end
Lafayette to end
Cabbage Spring to end
Timber Ridge to end
MD 27 to Gillis Falls
Fridinger Mill to MD496
MD832 to Stone

UPDATES

July 8, 2016:

The project is currently advertised for construction bids. Bidders can obtain the bid documents through the Bureau of Purchasing [website](#).

The bid opening is scheduled for July 27, 2016.

May 31, 2016:

Data is being collected and summarized in the contract documents. After approval of the final documents the project will be advertised for construction bids.

Once the contract is bid and awarded, citizens can view the weekly press releases the County's [website](#).
