

# Parrish Park Stormwater Management Facility

---

## LOCATION

The Parrish Park stormwater management facility is located in the Liberty Reservoir Watershed. The pond is currently overgrown with vegetation from lack of maintenance over the years.

## DESCRIPTION

Due to the condition of the facility the county is looking at retrofitting the facility to bring it up to current standards thereby ensuring that the facility is capturing all of the drainage area intended to drain into the facility.

## PROJECT ENGINEER

- CLSI

## CONTRACTOR

- White Pine Construction

## PROJECT BUDGET

- Engineering - \$28,878.00
- Construction- \$455,359.00
