

Collins Estates Stormwater Management Facility

LOCATION

The Collins Estates stormwater management facility is an existing facility located in the Liberty Reservoir Watershed. The pond is currently functioning as a water quality pond for the subdivision that is located near Bartholow Road and Collins Avenue.

DESCRIPTION

Due to the current condition of the pond, the County is looking at retrofitting the facility to bring it up to current standards thereby ensuring that the facility is capturing all of the drainage area intended to drain into the facility.

PROJECT ENGINEER

- CLSI

CONTRACTOR

- Stambaugh's Inc.

PROJECT BUDGET

- Tree Removal- \$ 6,500.00
- Engineering- \$ 20,955.80
- Construction- \$ 64,836.00

PROJECT TIMELINE

- **Design was completed December 2008.**
- **Construction should be complete by March 2009.**

UPDATES

March 2009

- The facility has been final graded and stabilized. The remaining sediment control measures will remain in place until there is a dense stand of grass on the disturbed areas.

January 2009

- A pre-construction meeting was held with Ryan Stambaugh and Carroll County Government representatives.

December 2008

- The construction of this project was awarded to Stambaugh's Inc.

The above picture shows the facility with grass beginning to grow.
