

## MISSION STATEMENT

### Carroll County Office of Public Safety Support Services

The Office of Public Safety Support Services mission is to develop, promote, and maintain protection of the people, property, and natural resources of Carroll County. Through leadership, action, and coordination of the County's public safety resources, this office strives to enhance the safety and livability of its citizens and visitors. The Office will execute its duties in a professional manner with a clear understanding of respect for human dignity and fairness for all individuals. The Office is dedicated to providing our citizens with protection of life and property through emergency management and fire protection engineering services, as well as effective emergency communications in support of our police, fire, and emergency medical services. We shall honor that responsibility by serving all individuals equitably and without prejudice.
