What is a dog park?

Bennett Cerf Dog Park is a large fenced in area where dogs are permitted to be taken off-leash to exercise and socialize with other dogs in a safe environment. This is the only area in any County park where dogs are permitted off leash. Many backyards do not give dogs enough room to run. Veterinarians agree exercise and socialization contributes to a well adjusted dog. Dog parks provide excellent opportunities for dog owners to socialize as well.

The dog park is open to paid members only.
