

Buy Advertising Space at the Carroll County Sports Complex

For \$200, how would your business like to:

- Reach over 90,000 potential customers
- Have its name synonymous with youth and adult recreational sports in Carroll County
- Generate additional business by reaching those visiting Carroll County
- Generate repeat business by reaching many citizens of Carroll County

If you answered yes to any (or all) of these questions, then your business should be advertising at the Carroll County Sports Complex. The Sports Complex is home to over 100 adult recreational softball teams, the Charles Carroll Recreation Council little league, and will host over 30 local, state, and regional adult and youth softball tournaments in 2016. Teams from all over the mid-Atlantic region travel to the Sports Complex every year to play ball. That's thousands of players and fans looking for places to eat, drink, shop, stay, and play.

Banners are hung between two of the softball fields, the main building, and the playground, guaranteeing lots of foot traffic by both players and fans. You can provide your own banner (5' X 10' max) or we can help you with ordering (additional fees may apply). Discounts are given to businesses that already sponsor a team that plays in a one of our softball leagues. For more information on outfield advertising, please contact Matt Purkins at 410-386-2103, or mpurkins@ccg.carr.org
