

**USE OF REMOTE CONTROL AIRCRAFTS, DRONES
AND MODEL ROCKETS AT PARKS**

APPLICATION FOR PERMIT

APPLICATION DATE:	USER NAME:
ORGANIZATION:	CONTACT:
ADDRESS:	CITY/ST/ZIP:
EMAIL:	PHONE:

Due to the proximity to the airport and FAA regulations, the use of remote control aircraft and model rockets shall not be permitted by the public at the following (5) County parks:

**Westminster Community Pond
Carroll County Sports Complex**

**Bennett Cerf Park
Hashawha Environmental Center**

Landon C. Burns Park

Use of remote control aircraft and model rockets will not be permitted over the following areas in County parks:

- Directly over playgrounds**
- Directly over boating activity**
- Directly over picnic areas**
- Directly over athletic fields when activities are under way**
- Near any protected wildlife species, in active wildlife nesting or breeding areas**

PARK NAME:	PARK AREA:
DATE(S) OF USE:	TIME(S) OF USE:
TYPE OF AIRCRAFT:	REASON FOR USE:
REGISTRATION OF AIRCRAFT ATTACHED	YES ___ / NO ___
<i>*Not required if aircraft is less than .55lbs/250 grams</i>	
CERTIFICATE OF INSURANCE ATTACHED	\$1 Million ___ / \$500K ___

Use of remote control aircraft and model rockets will be allowed at all other County parks only if approved by the Department of Recreation and Parks with a signed permit. The request for a permit must include the named park, specific area, date(s) and time(s) of usage and must be accompanied by a *certificate of insurance* in the amount of \$1 million (\$500,000 if aircraft is under .55lbs/250 grams). Permits will only be granted after applicant provides *proof of registration* (if required) of the unmanned aircraft and *certificate of insurance*. All usage must be consistent with permission granted in permit and the aircraft must remain within visual line of sight at all times.
