PINEY RUN NATURE CENTER ENVIRONMENTAL EDUCATION & GROUP PROGRAMS

Piney Run Park is a true oasis of natural beauty in our busy suburban setting. The Park's 850 acres (including a 300 acre lake) offer unlimited potential for nature education, outdoor recreation, and fun for visitors of all ages. Approximately 100,000 visitors each year come to the Park for the beauty that is present everywhere, for the recreation activities that abound, and for the lifelong learning that is offered.

Piney Run Nature Center is located within the Park. The center offers environmental education programs for schools (preschool through high school), homeschoolers, scouts, community organizations and more! Some of our programs include Animal Homes and Signs, Reptiles and Amphibians, Gone Buggy, Life Under a Log, Native Americans, Seasons of the Forest, Lake Study and more! We are always willing to customize our programs to meet your needs. Programs are generally 1 hour in length.
