# WINTER 2016/2017 Program Guide

Hashawha Environmental Center is planning to add nature-themed play equipment to the grounds of the Bear Branch Nature Center next year. To ensure that the new play equipment compliments the existing facility and grounds, we are working very hard to include nature-themed elements wherever possible. Unfortunately, these types of playgrounds are more expensive than the standard units.

Carroll County Department of Recreation & Parks secured \$116,700 in funding through the County budget and is hoping to raise additional funds to help make this playground a truly special place – just like Hashawha.

Please consider a year-end tax deductible donation to the Park Legacy Fund for the BBNC playground fundraising campaign. You may use the registration form at the back of this brochure, call the R&P office, or go online to our special Bear Branch Nature Center Park Legacy Fund link located on our website at [ccrecrepark.org](http://ccrecrepark.org).

## Carroll County Park Legacy Fund

If you enjoy visiting our beautiful parks, become involved and help make them an even better place. Your tax deductible contribution can be earmarked to support specific parks or amenities such as playgrounds, benches, trees, nature centers, and more. Contributions are publicly recognized and gift donations on someone's behalf are recognized with a card sent acknowledging the donation.

- Visit us at... <https://ccgovernment.carr.org/parklegacyfund> to print a Park Legacy Fund brochure and return via US Mail or drop off at the R&P office M-F, 8am-5pm; OR
- Call R&P 410-386-2103 to have a form mailed to you, or even to make a credit card donation (Visa, MC, Discover) in an increment of \$25, \$50, or \$100 specifically earmarked for the new nature-themed playground to be located at the Bear Branch Nature Center; OR
- Visit the R&P office located at 300 S. Center Street, Westminster; OR
- Use the registration form at the back of this guide with any increment specifically earmarked for the new nature-themed playground to be located at the Bear Branch Nature Center.
