

BEAR BRANCH NATURE CENTER PROGRAMS

Hashawha and Bear Branch Nature Center are located just north of Westminster, off of Rt. 97 at 300 John Owings Road. Bear Branch Nature Center is open year round Wednesday through Saturday from 10am-5pm and Sunday from Noon-5:00pm. The Nature Center staff can be contacted by phone: 410-848-2517 or email bbnc@carr.org. All Nature Center programs require pre-registration, unless otherwise noted. Groups should schedule programs directly with the Nature Center.

Hashawha's trails are open to the public from dawn until dusk 365 days a year. Parking is only available at Lake Hashawha or Bear Branch Nature Center. There is no entrance fee for the park. **PLEASE NOTE:** The Hashawha Environmental Facility is not open to the public except through reservation. Please do not enter the Hashawha gates or the posted restricted areas. For more information about group rentals of the facility, contact Hashawha staff by phone: 410-848-9040 or email Hashawha@carr.org.

In case of bad weather... if snow or icy conditions are in the forecast, please call before coming to your program to see if it has been cancelled/postponed. If Carroll County Government is closed, the Nature Center is closed.

For all ages (under 12 must be with an adult). Time: 9am-12Noon.

CAMP COUNSELOR TRAINING - Sunday, June 7 - All volunteers planning to be camp counselors for any of Bear Branch's summer camps must attend this training session. We will go over important volunteer guidelines and take a behind the scenes tour to get ready for camp. Please call ahead for a camp counselor application, which must be turned in at the training. For ages 14-adult. Time: 1-3pm.

MAPLE SUGARIN' FESTIVAL

Sunday, March 1, 2009

The Annual Maple Sugarin' Festival will take place on the grounds of Hashawha Environmental Center on Sunday, March 1st, 10:30am-4pm. A pancake breakfast with REAL maple syrup starts the day with plenty of other maple foods available until closing. The admission charge is \$2 per vehicle (vans included). For more information about the festival, please call Hashawha at 410-848-9040.

This festival celebrates the American tradition of collecting maple sap and boiling it down to rich maple syrup. Activities and demonstrations will take place both indoors and out, and include tree taping, sap boiling, bread baking, tasting, wagon rides, an indoor children's activity area with crafts, games, and face painting.

Volunteers are needed for this event. Teens can earn student service learning hours. If interested in volunteering at the festival, contact Bear Branch Nature Center, 410-848-2517.

ATTENTION SCOUTS & HOMESCHOOL GROUPS!!
Private group "Maple Sugarin" programs may be scheduled between February 24th and March 7th with Tina Shupp by calling Bear Branch Nature Center at 410-848-2517.
