STATUE OF LIBERTY & ELLIS ISLAND

#18BT01 Saturday, June 2

7am-11pm

Spend the day visiting via ferry both Ellis and Liberty Islands. The bus will drop our group off at Liberty State Park, NJ where we are scheduled to board the 12pm ferry to our first stop on Ellis Island. It may be best to pack a bag lunch to enjoy at either Liberty State Park, on the ferry, or after arrival to Ellis. There are a few vendors at the park and on the ferry if you prefer. Once on Ellis, you will then be on your own to enjoy both islands/museums/statue at your leisure until the return to the bus at approx 7pm. Your visit on Ellis Island includes the National Immigration Museum. This museum has three floors of exhibits documenting immigrants' experiences at Ellis Island, as well as the general history of immigration to the US. Note that National Park Service rangers lead 30-minute walking tours of the museum throughout the day. Tours chronicle island history of the facility during its busiest years of operation (the number of tours offered varies based upon daily staffing levels), and tickets are not required. Or, simply tour the museum on your own. A stroll outdoors reveals the Wall of Honor and the remnants of an historic fort. When ready, board the next ferry over to Liberty Island. On Liberty Island, "The Statue of Liberty Enlightening the World," dedicated on October 28, 1886, is the gift of friendship from the people of France to the United States and is recognized as a universal symbol of freedom and democracy. All participants are welcome to visit the Statue Pedestal and museum. For those interested, you are welcome to make the adventurous trek up to the Crown of the Statue, but to do so you will need to pre-purchase an additional ticket(s) online at their website below (times fill quickly): www.statuecruises.com. Note that due to security reasons there is a maximum purchase of 4 tickets per person (card holder must be present to pick up tickets), the names on tickets are non-transferable and ID will be required at the statue for all adults. It is important to keep in mind that the Crown visit will require a longer wait time and you should consider the possible elevated temperature in the statue, extended flight of narrow stairs and possible claustrophobic conditions (youth must be at least 4 feet tall and able to walk/climb on their own), but the view is spectacular and the experience memorable! At approximately 6pm you will want to board the return ferry back over to Liberty State Park, NJ to re-board the bus back to Westminster. Lunch/Dinner are on your own with food vendors available. Fee includes Pedestal ticket, roundtrip ferry, roundtrip motorcoach transportation, and driver's gratuity.
