## HS - BABYSITTER TRAINING & PEDIATRIC FIRST AID/CPR/AED

**#18WG11 Tues, Feb 19 AND Feb 26, 9:30am-2pm**  
Babysitters need to be prepared for anything. This American Red Cross instructor-led course features hands-on interactive activities that provide youth the knowledge and skills necessary to safely and responsibly give care for children and infants. The babysitter training will help participants learn the prevention, preparation and emergency skills every good babysitter needs. Subjects covered include leadership, safety and safe play, basic care, first aid and professionalism (in the state of Maryland, youth must be age 13 in order to babysit for a child under the age of 8) and receive the American Red Cross certificate of attendance. The 1st Aid/CPR/AED training is designed to complement the Babysitter Training course which students must complete first. You will have the opportunity to learn from and interact with the instructor who will guide you through hands-on practice of lifesaving skills. Successful students will receive a certificate of Pediatric First Aid/CPR/AED valid for two years. Bring a snack, drink, paper and pen for each session.
