

Buy Advertising Space at the Carroll County Sports Complex

For \$250, how would your business like to:

- Reach over 75,000 potential customers
- Have its name synonymous with youth and adult recreational sports in Carroll County
- Generate additional business by reaching those visiting Carroll County
- Generate repeat business by reaching many citizens of Carroll County

If you answer yes to any (or all) of these questions, then your business should be advertising at the Carroll County Sports Complex. The Sports Complex is home to more than 90 adult recreational softball teams, the Charles Carroll Recreation Council little league, and will host over 30 local, state, and regional adult and youth softball tournaments in 2008. Teams from Maryland, Pennsylvania, Delaware, New Jersey, Virginia, and West Virginia traveled to the Sports Complex in 2007. That's thousands of players and fans looking for places to eat, drink, shop, stay, and play.

A 5 foot by 10 foot outfield banner costs \$250 per season, plus the fee to make the sign. Discounts are given to businesses that already sponsor a team that plays in a one of our softball leagues. The Sports Complex will even help you get your sign produced. For more information on outfield advertising, please contact Matt Purkins at 410-857-4832, or ccsc@carr.org
