## 2011 Carroll County Co-ed Softball League Rules

ISA Rules govern this league unless otherwise stated in these rules.

### CARROLL COUNTY CO-ED SOFTBALL LEAGUE

The Carroll County Co-ed Softball League will be made up of two divisions. Teams will play a doubleheader each night they are scheduled. The Friday Division will be open to all teams; the Sunday Division will be made up of teams sanctioned Class "E" for the current season. No teams sanctioned higher than "E" will be permitted to participate in the Sunday league. USSSA classification rules will apply.

### DEVIATIONS FROM ISA RULES

**Base on Balls:** A female batter has the option to take 1<sup>st</sup> base **ONLY** after a male batter has walked with two outs.

**Pitching:** Pitchers may pitch within 6 feet back from the rubber. This will be enforced in a straight line behind the rubber.

### ENTRY FEES

**League Entry Fees:** League entry fees must be paid by the first game of the season, or by the date set by the League Supervisor. Failure to do so will result in forfeiture of games until the fees are paid. Checks should be made payable to the Carroll County Commissioners.

### EQUIPMENT

**Bats:** Any bat that is ISA approved will be allowed for use in the league unless voted on by a majority of coaches. Any bat that is not on the ISA approved bat list will be illegal in this league. First offense for using an illegal bat will be a warning. Second offense will be an ejection of the player caught using the bat. Third offense will be a three week suspension from ANY league at the Sports Complex.

**Shoes:** Metal spikes are prohibited. If wearing cleats they **MUST** be softball or baseball cleats!

**Softballs:** Men will hit 12" softballs, women 11" softballs. Each team will be responsible for providing one new and one "as new" of both size softballs per night. Core rating shall be no more than .44 and compression shall be no higher than 400 compression. All softballs must be approved for play by either ASA, ISA, NSA or USSSA. You hit your own ball/you chase your own ball. Always have a back up balls available.

**Uniforms:** While uniforms are not required, they are highly encouraged. Players must have sleeves on their shirts, unless the team's uniform shirt is sleeveless. Uniform shirts must cover entire chest and stomach area (i.e. no bare skin). Players must wear shirts to play, and women may not play in exposed bras or sports bras.

### GAME

**Base Burglar:** A base burglar may be utilized as per ISA rules.

**Bases:** For safety purposes, this league will use a double 1<sup>st</sup> base. Runners must tag the orange base on all plays at first; however, they can touch the white portion when rounding bases. It is at the umpires judgment and discretion to call interference at 1<sup>st</sup> base if the runner does not use the safety (orange) base.

## **Carroll County Sports Complex 2011 Carroll County Co-ed Softball League Rules**

**Bases on Balls:** Men shall proceed to 2<sup>nd</sup> base when they are walked. With two outs, female batters have the option to take 1<sup>st</sup> base after a male batter walks.

**Batting Alignment:** A minimum of five females must be on defense. If only 9 players are present, 5 males and 4 females are permitted but will take an automatic out in the 10<sup>th</sup> spot for the absent female. Co-ed teams may use extra female players both in the lineup and in the field. Men may not bat consecutively. 14 batters may be used. You must finish with the same number of batters you begin with; otherwise the vacant spot(s) will be counted as an out.

**Count:** All batters begin their at-bat with a 1 ball, 1 strike count, with one foul ball to waste after two strikes.

**Courtesy Runner:** An injured batter may have a courtesy runner after reaching base safely, male for male, and female for female. The courtesy runner is the batter making the last out. A player's injury must occur in the game to use a courtesy runner, and a courtesy runner may be used only one time per batter, per game. Team managers must inform the umpire when a courtesy runner is used.

**Forfeit time:** Forfeit time is game time for the first game of a doubleheader with a 30 minute grace period for game two. Teams MUST e-mail the League Supervisor at least 24 hours prior to requesting a postponement of a game.

**Home Run Rule:** Three homerun limit and then outs. After three it is an out and there is no advancement by the runner(s). Inside the park homeruns shall not be counted towards the homerun limit. Homeruns must be run out.

**Innings:** All games will be 7 inning games with a 1 hour time limit.

**Pitching:** The pitcher must present the ball before pitching. Pitcher is allowed 3 pitches to start the game and 1 each inning thereafter. If any other player besides the pitcher takes a warm-up pitch, he must pitch until the first batter of the inning has completed his at bat.

The pitcher has 5 seconds from the time the batter is ready in the box to make his next pitch or a ball will be awarded to the batter. The arc is 4' from ground to 10' in the air. If the ball hits any part of the plate, including the black, it is a ball.

**Playing in more than one division:** Players may play in both Friday and Sunday Division, however, players may only play on ONE Sunday team.

**Rescheduling of Games:** In the event a team has to reschedule a game, the opposing team shall pick a date and time (with the prior approval of the date/time with the League Supervisor) to reschedule the game. If the team requesting the rescheduling cannot play on that date, the games will be considered forfeits and wins will be given to the team not requesting the reschedule.

**Run Limits:** Run limits will be enforced as follows: 20 runs after 3 innings, 15 after 4, and 10 after 5. The losing team must have batted 3, 4, or 5 times. There will be no flip-flop rule in this league.

**Teams short players:** A team may play with a minimum of 8 players. In this instance, the opponent will provide a catcher to throw back pitched balls ONLY. Automatic outs will be declared in the 9<sup>th</sup> and 10<sup>th</sup> spots.

## **Carroll County Sports Complex 2011 Carroll County Co-ed Softball League Rules**

A team that is short players may ask players from another team to fill in for them (without counting against switching teams). However, a team is allowed to play with 8 players, so players from another team can only be used to avoid a forfeit. A team using players from another team must get the approval of the opposing manager to do this. A player from an opposing team in the league can fill in only one doubleheader per season per team.

If a team has 5 men and 4 women, an out is declared in the 5<sup>th</sup> women's spot in the lineup. More women than men may play.

***Tie Games:*** In the event of a tie game, at either the completion of 7 innings or the expiration of time, an extra inning may be played at the discretion of the umpire. Games that remain tied at the end of the additional inning shall remain tied.
