New solid waste tipping fee takes effect July 1

June 3, 2011 – A new tipping fee will take effect in Carroll County on July 1. The rate change was approved last month for fiscal year 2012 to offset increased costs for solid waste operations at Northern Landfill in Westminster and Hoods Mill drop-off center in Woodbine.

The tipping fee will rise to \$62 a ton for municipal solid waste. Construction, demolition debris and sewage sludge charge will remain \$78 a ton. Flat rate charge to automobiles for residential waste per load and the minimum charge is \$6. Commercial loads of scrap tires are \$140 per ton. Households in Carroll County may bring up to five tires a year. The residential rate for scrap tires is \$1.50 each off the rim and \$2.50 on the rim. Commercial yard trim loads are \$20 a ton.

Please note that only waste generated in Carroll County is accepted at county facilities. For more information, call the Carroll County Bureau of Solid Waste at 410-386-2035 or the Northern Landfill directly at 410-386-4550.
