Bicycle-Pedestrian Survey Launched

Westminster, Monday, January 4, 2016 – The Bureau of Comprehensive Planning is developing a county-wide bicycle-pedestrian master plan. The plan will focus on walking and biking as a form of transportation, as well as recreational and tourism opportunities.

County input is requested. Effective today, the public interest survey is available on the Bureau of Planning's web site. The survey will be available through March, 2016. The survey will provide much needed information for the bicycle-pedestrian master plan.
