## Carroll County State of Emergency to End at 5:00 PM Today, January 24, 2016

Westminster, Sunday, January 24, 2016 – Winter Storm Jonas has now moved out of the area. Because the extreme weather conditions that necessitated the State of Emergency no longer exist in Carroll County, the Board of County Commissioners has rescinded the Declaration of State of Emergency as of 5:00 p.m. today.

***Please note that even though the State of Emergency no longer exists in Carroll County, residents are requested to stay off the roads and avoid travel, if possible, throughout the remainder of the day today and overnight tonight. If you must travel, exercise extreme caution.***

Many thanks to the citizens of Carroll County for pulling together and helping each other through the storm. Thanks also go out to the Public Works employees who continue to put in long hours to clear the roads and to all of the county employees and volunteers staffing the county fire companies and the 911 Center and Emergency Operations Center. Thanks, too, to the National Guard personnel who have been of great assistance throughout this historic winter storm. We encourage all Carroll County residents to continue assisting each other as our community recovers and returns to normal over the next several days.
