**Land Preservation Parks and Recreation Plan (LPPRP) Public Meetings**

Carroll County Department of Recreation and Parks will be holding two (2) public meetings to discuss current efforts to update the County’s Land Preservation Park and Recreation Plan (LPPRP). Meetings will be held on Thursday, June 2 at the South Carroll Senior and Community Center and Monday, June 6 at the North Carroll Branch of the Carroll County Public Library. Both meetings are open to the public and begin at 7 p.m.

The LPPRP is a comprehensive plan that guides efforts to conserve open space and enhance recreational opportunities in Carroll County for the next five years. Efforts will include updating inventory of assets and user demands, a service analysis to identify deficiencies and opportunities and development of strategies to meet goals and address deficiencies.

The public is encouraged to attend these public meetings to learn about efforts completed thus far and to provide feedback regarding both existing and future recreational facilities for the County.
