Bark Hill Water Tower Rehabilitation

Bark Hill, Union Bridge MD, June 6, 2016 - Carroll County Bureau of Utilities will be performing system upgrades and rehabilitation to the Bark Hill Community Water Tower, located on 752 Raywell Avenue, Union Bridge Md. 21791.

This project will begin on Friday June 17, 2016. Project completion is expected within four (4) weeks. During this time period residents may experience lower water pressure than normal. In addition, conservation of water would be much appreciated and helpful for the duration of this project. Bureau of Utilities will post notification upon completion of the project for the return to normal water usage.

Once full service is restored residents may experience cloudy water lasting up to an hour. Turning the cold water tap on and running water for several minutes will clear the lines. It is advisable to refrain from using high water volume appliances such as washing machines, dishwashers, etc., during periods of cloudy water or low pressure.
