FY2020 Budget Meeting Schedule Announced

Westminster, MD, Thursday, March 7, 2019 – This morning, Mr. Ted Zaleski, Director of Management and Budget, presented the Fiscal Year 2020 Budget Overview to the Carroll County Board of Commissioners (BOC).

The FY20 Budget Overview is derived from hundreds of staff hours during which staff review prior budgets, meet with agency and department leaders, follow trends in the real estate market, income taxes, recordation and filing fees and a whole host of other activities to ensure that the recommended budget is based on the best, most accurate and up-to-date information possibly available.

Mr. Zaleski began the presentation with three core messages: major revenues are growing more slowly than anticipated leading to reductions in the 6-year revenue projections; limited flexibility heightens the importance of every decision; and pressures on our ability to maintain service levels remain. He then revealed a thorough and detailed presentation of the FY2020 budget. [The entire Budget Overview presentation](#) can be viewed [here](#).

Throughout March, April and May, a series of budget meetings will be held in order to develop and adopt the final budget. On March 26th, the Recommended Budget will be presented to the BOC. Then the board will meet with any agency requesting funding that wasn't included in the Recommended Budget. Below is the list of meetings as they are currently scheduled:

Agency Meetings with Commissioners

Thursday, March 28
Tuesday, April 2

After the commissioners meet with agencies, the board will begin discussing the budget options amongst themselves to create a proposed budget. The Proposed Budget Work Sessions will begin on April 9th.
