## **Seniors invited to participate in Carroll History Project at North Carroll Senior and Community Center**

**November 17, 2009** – Share and preserve your memories of Carroll County at the North Carroll Senior and Community Center on Wednesday, Dec. 9, from 10 a.m. to 2 p.m. The center will host the Carroll County History Project, an ongoing effort dedicated to preserving the history of the county and the memories of its residents. Seniors are invited to share their unique stories. The stories reveal the people, places and events that made Carroll County what it is today. We invite you to help capture these stories so that they may live on and be shared with others. Participants will be recorded on video, which will be stored at the Community Media Center and posted online at their website. For more information or to make an appointment, call 410-386-3900.
