July 8, 2016

**For Immediate Release:**

*The Carroll County Health Department is asking area residents for help in finding a dog that bit a person around 11:00 AM at the intersection of Sykesville Road and Lemans Court in Finksburg on Tuesday, July 5, 2016. The dog was described as being a small Chihuahua with a black coat. According to the Health Department, it is likely that the victim of the attack will be treated with a series of post-exposure rabies shots if the dog has not been found and verified to be in good health by the morning of July 15, 2016.*

*If you have any information that may help locate this dog or its owner, please contact the Carroll County Health Department at (410) 876-1884 or the Carroll County Humane Society at (410) 848-4810.*

Thank you for your assistance with this matter.
