Emergency Water Service Disruption in Eldersburg area

Eldersburg, MD, October 17, 2016 - Carroll County Bureau of Utilities is shutting down water service today, October 17, 2016, at 9:00 am to do an emergency repair to a leaking service corporation valve located on Hanna Road.

Twenty-five homes between 5900 Hanna Road and 5925 Hanna Road will be without water service for several hours while emergency crews work to repair the valve. These homes are located on Hanna Road between the intersection of Forest Court and Sunset Drive.

We anticipate water service to be restored by 4 pm barring any unforeseen circumstances.

Once full service is restored residents may experience cloudy water lasting up to an hour. Turning the cold water tap on and running water for several minutes will clear the lines. It is advisable to refrain from using high water volume appliances such as washing machines, dishwashers, etc., during periods of cloudy water or low pressure.
