Old New Windsor Road to Close on or about June 20, 2016 to Late August 2016

Union Bridge, MD June 3, 2016—
Old New Windsor Road in Union Bridge, MD is scheduled to close on or about June 20, 2016. The road will be re-opened in Late August 2016. Motorists using Old New Windsor Road should follow the posted detour route.
Winters Church Road remains closed, and the detour has been modified to guide motorists around the simultaneous closures.
The road closures are for construction of an underground conveyor belt serving the Lehigh cement plant in Union Bridge.
Additional details about the project, and detour maps are available on Lehigh’s project website: <http://newwindsorquarry.com/detours-road-closures>
A map of the detour from the project website:
