Greenwood Church Road to Close on or about October 21, 2016 to January 2017

New Windsor, MD October 7, 2016—
Greenwood Church Road in New Windsor, MD is scheduled to close on or about October 21, 2016. The road will be re-opened in January 2017. Motorists using Greenwood Church Road should follow the posted detour route.
The closure of Greenwood Church will be just South of the intersection of Greenwood Church Road and Hawks Hill Road .
The road closure is for construction of an underground conveyor belt serving the Lehigh cement plant in Union Bridge.
Additional details about the project, and detour maps are available on Lehigh’s project website:
