Traffic Alert – Ridge Road/Kali Drive

As a part of the Eldersburg Commons project the new traffic signal at the intersection of Ridge Road and Kali Drive will be fully activated on/or about Friday, October 16th. To help motorists become aware of the new traffic signal the signal will be placed in flash mode for approximately 72 hours prior to full color activation on the 16th.

Motorists are requested to use caution when traveling through this area. We appreciate the public’s cooperation and patience with any traffic delays as construction continues on the County’s roads and bridges.
