July 18, 2016

TRAFFIC ALERT – Hahn Road

On or about Friday, August 5, 2016 the Maryland Midland Railway is planning on beginning repairs to the railroad crossing on **Hahn Road**. During construction the roadway will be closed to all traffic at the intersection of Hahn Rd and the Maryland Midland Railway. The repairs are scheduled to be completed by the end of the day on Wednesday August 10, 2016.

Motorists should use the posted detour to avoid delays. Maryland Midland Railway thanks motorists for their patience and cooperation and reminds them to use caution while driving through the work area.
