**Hawks Hill Road to Close on or about August 29, 2016 to Early November 2016**

New Windsor, MD August 15, 2016—

Hawks Hill Road in New Windsor, MD is scheduled to close on or about August 29, 2016. The road will be re-opened in November 2016. Motorists using Hawks Hill Road should follow the posted detour route.

The road closure is for construction of an underground conveyor belt serving the Lehigh Cement plant in Union Bridge.

Additional details about the project, and detour maps are available on Lehigh’s project website: <http://newwindsorquarry.com/detours-road-closures>

A map of the detour from the project website:
