FOR IMMEDIATE RELEASE

New Business & Employment Resource Center website launched

Westminster, MD – November 06, 2015 - The Carroll County Business & Employment Resource Center (BERC) launched a new website to take advantage of the latest technology available to convey agency information to the community. The website (www.carrollworks.com) features services for businesses, job seekers and youth. A prominent calendar of events lists upcoming workshops and there is a community resources page which lists links to partner agency websites.

“The website is mobile enabled and conveniently organized.” said BERC Manager Denise Rickell. “We are also excited to showcase our BERC video and customer success stories and testimonials. BERC staff helps thousands of people each year and this is another way to get the word out about our wonderful services.” Rickell further elaborated.

Carroll County Veterans Services representatives’ direct contact information is listed as part of the Job Seeker section to make it easy for our Carroll veterans to know who to contact to set up appointments for job search assistance.

A Twitter feed is a new website feature that displays job opportunities on a continuous basis. There is an easy to use Job Opportunity form for businesses to complete in the Recruitment section; once completed, the information is sent directly to the agency for posting and recruitment activities. There is no cost to list job opportunities with BERC.
