## National Prescription Take Back Day

Westminster, Wednesday, September 23, 2015 – The Board of County Commissioners will hold a press conference on Thursday, September 24 at 4pm to discuss the need to properly dispose of prescription drugs and the various opportunities around the county to do so. The press conference will be held in the Reagan Room on the ground floor of the County Office Building.

Come hear from the Commissioners, Sheriff James DeWees, State's Attorney Brian DeLeonardo and Ed Singer, Director, Carroll County Health Department regarding this important safety and health issue.

Drug Take Back Day coincides with Carroll's Annual Emergency Preparedness Expo which will be held at the Carroll County Career and Tech Center, 1229 Washington Road in Westminster, MD from 10 am until 2 pm. The Emergency Preparedness Expo provides an opportunity for the entire family to become familiar with the many aspects of emergency preparedness, response and recovery. It will also provide an easy opportunity for residents to drop-off old prescription drugs.

The Board of Commissioners believes it is important to spread the word about the importance of properly disposing of potentially harmful prescription drugs and encourages people to attend the press conference on Thursday and the Emergency Preparedness Expo on Saturday
