Health Department Asks for Help in Locating Dog

For immediate release

Westminster, MD (August 16, 2016) – The Carroll County Health Department is asking area residents for help in finding a dog that bit a person around 8:30 PM at Oden Kemp Town Center Park in Hampstead on August 10. Oden Kemp Park is located on Houck Avenue near the Hampstead Post Office.

The dog was described as being a black Chihuahua. According to the Health Department, it is likely that the victim of the attack will be treated with a series of post-exposure rabies shots if the dog has not been found and verified to be in good health by the morning of August 19.
