Comprehensive Rezoning Work Session

Westminster, MD, Friday, December 14, 2018 – Yesterday, during an open work session, Carroll County Board of Commissioners (BCC) met with county staff for the first of several work sessions to discuss the county's comprehensive rezoning project.

Staff from the Departments of Planning, Land & Resource Management, County Attorney and Economic Development comprise the rezoning concept team and met with the commissioners to discuss and review the first phase of the rezoning project which involves only the text for the commercial, industrial and employment campus zoning districts. The rezoning project's goal is to align the vision and language of the 2014 Carroll County Master Plan and 2018 Freedom Community Comprehensive Plan to county zoning.

Information regarding the rezoning project is located on the carrollrezoning.org website. There will be further work sessions on the subject to be scheduled at a future date.

The work session is available for viewing on the [county YouTube channel](#). In addition, all meetings will be replayed on Comcast Channel 24.
