Emergency Valve Repair on Sooner Court

November 13, 2017, Eldersburg MD – The Carroll County Bureau of Utilities shut down water service at 8:00 am today to approximately 10 homes on Sooner Court to do an emergency repair to replace a leaking water valvet. We anticipate service to be restored by 4:00 pm barring any unforeseen circumstances.

Once full service is restored residents may experience cloudy water lasting up to an hour. Turning the cold water tap on and running water for several minutes will clear the lines. It is advisable to refrain from using high water volume appliances such as washing machines, dishwashers, etc., during periods of cloudy water or low pressure.

If you have any questions please call the Bureau of Utilities office at 410-386-2164.
