Evening Transit Service Pilot Program in Westminster Announced

November 1, 2016 – Westminster, MD – Carroll Transit System operated by Ride With Us will begin an Evening Demand Response Service effective December 5th for a six month pilot period. The service will operate Monday through Friday from 5:00 PM – 8:00 PM within a five mile radius of the Westminster Public Library. This new evening service is in addition to the regular daytime services.

“Citizens have asked for additional evening hours and we feel that the best way to determine evening transportation demand is to run this Westminster-based pilot service. Citizens and students who need transportation to schools, to the library and to shopping areas will be able to use this evening service at normal daytime rates. If ridership is steady and growing then the county will look at the feasibility of making this evening service permanent” stated Jeff Topper, Deputy Director of Public Works.

Citizens interested in using the evening service should call Carroll Transit System at 410-363-0622 at least one day in advance to schedule a pick up time and location. General rider information can be found on the CTS website at www.carrolltransitsystem.com.
